

# ETA Process Instrumentation

F - Flow, M - Moisture, G - Gas & Fire, T - Temperature, Le - Level,  
C - Calibration, E - Electrical, Lo - Loggers, A - Analytical

## 4G TECHNOLOGIES **Lo**

Sequential events recorders

## BADGER METER/DATA INDUSTRIAL **F**

Impeller Flow Products, Energy Flow Metering

## BASELINE MOCON **G**

Total Hydrocarbon Analyzers, Gas Chromatograph for VOC/HRVOC/BTEX Monitoring

## BH THERMAL CORP **T**

Electric heat tracing; flexible element heating blankets; custom heat jackets

## BUD INDUSTRIES **E**

Enclosures and Racks, Custom and Standard

## CEASE FIRE **G**

Non-Toxic, Dry Powder, Overhead Fire Suppression Systems

## DANIEL MEASUREMENT AND CONTROL **A F**

Custody transfer flow meters – ultrasonic, orifice, turbine, & venturi; BTU analyzers; petroleum terminal equipment

## DENT INSTRUMENTS **Lo**

Power loggers; TOU smart loggers; CTs

## DELTA F **A**

Trace Oxygen & Oxygen Deficiency Monitors, Trace Moisture Detector

## DRAEGER **G A**

Fixed Gas Detection Systems, Portable Gas Detection, Tubes and Pumps, Flame Detectors

## FASTEST, INC. **G**

Quick connect, leak tight connections for calibrator and process applications

## FOX THERMAL INSTRUMENTS **F**

Mass flow meters

## GASMET **G A**

Portable and fixed FTIR for gas analysis

## H2SCAN **G A**

Hydrogen Specific Sensors, Portable and Process Applications

## HAWK MEASUREMENT SYSTEMS **Le**

Level transmitters & switches; sludge density detector; positioning and flow solutions

## HORIBA **A**

Continuous Emissions (CEMS), Air Pollution Analyzers

## INTERSCAN **G**

Toxic Gas Detection Systems

## ION SCIENCE **G**

SF6 and Mercury Monitors

## JMS SOUTHEAST INC **T**

RTD, thermocouples, thermowells, and temperature transmitters

## KAHN INSTRUMENTS **M**

Hygrometers

## KANOMAX **A**

Particle Counters, Anemometers

## LAKEWOOD INSTRUMENTS **A**

pH, conductivity, ORP sensors

## MAGNATROL VALVE CORP **F**

Industrial solenoid valves for process control

## MARTEL ELECTRONICS / BETA CALIBRATORS **G**

Calibrators - frequency, multifunction, pressure, RTD, & thermocouple; pneumatic & hydraulic pumps; digital thermometers

## MEASUREMENT TECHNOLOGIES **E**

Power transducers; power transducer calibrators

## ODOR EYES **G**

Natural gas odorization systems

## OPTECH **Le**

Laser level transmitters

## PERCIVAL SCIENTIFIC **A**

Environmental Chambers & Incubators

## PERMAPURE **G A**

Gas Sample Conditioning Systems, Nafion dryers, Baldwin Chillers

## RACINE / PRESO FLOW METERING EQUIPMENT **F**

Averaging pitot tube, venturi, & Wedge flow meters

## PROCESS SENSORS CORP **T**

Non-contact IR temperature sensors, thermal imaging camera systems and precision blackbody calibration sources

## R. STAHL **E**

Intrinsically safe barriers & isolators; hazardous area control stations, termination panels, & distribution panels; field bus IS interface; hazardous area lighting

## ROSEMOUNT TANK GAUGING **Le**

Tank gauging transmitters & systems

## SERVOMEX **G A**

Process, Emissions, and Combustion Analyzers, Integrated Solutions

## SPECTITE **T**

Sealing glands; RTD & thermocouple sensors

## TESTO **G**

Portable Combustion Analysis

## THERMO BRANDT **F**

Duct air flow, pitot tube array, I/P & P/I transducers

## THERMO TEXAS NUCLEAR / KAY-RAY SENSALL **Le**

Gamma based density & level systems; pulp stock consistency; sludge consistency

## THERMO WESTRONICS **Lo**

Data acquisition systems, paperless recorders

## UNITED ELECTRIC CONTROLS **E**

Pressure & temperature switches

## WELKER **G A**

Regulators; dryers; control valves

## WILKERSON INSTRUMENT CO **E**

Radiotelemetry; signal conditioners

## OTHER PRODUCTS AND SERVICES

Heated Sample Line, Calibration Gas and Regulators, Calibration/Repair/Service, Rentals, Cylinder Recycling; Calibration software; Pressure & temperature gauges

## ETA Process Instrumentation

119 Foster Street, Bldg #6 • Peabody, MA 01960

Tel: (978) 532-1330 • Fax: (978) 532-7325 • www.etapii.com • sales@etapii.com

# Safety Inc

Safety Equipment • Portable Instrumentation • Technical Support  
With Over 40 Years Experience

## SAFETY EQUIPMENT

- AED
- Confined Space
- Ergonomics/Matting
- Eye/Face Protection
- Eyewash/Showers
- Fall Protection
- Facility Safety Foot & Leg Protection
- First Aid Supplies
- Hand Protection
- Hearing Protection
- Head Protection
- Lockout Tagout
- Protective Clothing
- Respiratory Protection
- Spill Control
- Static Dissipative Products

## INSTRUMENTS

- Aerosol/Dust Monitors
- Anemometers
- Badges
- Fixed Gas Detection
- Heat Stress
- Indoor Air Quality Monitors
- Moisture Meters
- Noise Dosimeters
- Octave Band Analyzers
- Personal Sampling Pumps
- Portable and Fixed PID
- Portable Gas Detection
- Sound Level Meters

## E-COMMERCE

- Contract pricing by sign-in
- Custom catalogs by sign-in
- Detailed reporting
- Billing by Department

## SERVICE CENTER

**FIXED SYSTEMS**  
Installation & Calibration  
Maintenance Plans

**PORTABLE INSTRUMENTS**  
Calibration & Repair

**RESPIRATORS**  
SCBA - Airline - PAPR

**CALIBRATION GASES & CYLINDER RECYCLING PROGRAM**

**BATTERY REBUILDING**
